Veth Group Email Targeting: Intero Digital

Nov 4, 2026 · @Alejandra

Veth Group's cold email for Intero mainly reaches Owners and CEOs of U.S. companies (about 3 in 4 contacts). The rest are in-house marketing managers, directors and VPs. This summary is meant to help Intero check for overlap with its own outbound programs.

It covers all running and paused Woodpecker campaigns as of Nov 4: about 206,000 contacts still to be emailed.

Who each rep is emailing

Rep	Contacts still to be emailed	Main titles	Gift offers

CMOs are a small share of the lists (about 1%).
